

RENTALSCAPE™ FEATURES

THE SOLUTION FOR CITIES

- **Decentralized:** No infrastructure to setup, our solution exists securely in the cloud.
- **Portable:** Work from your desk or on-the-go and in the field.
- **Secure:** User authentication and authorization covered on an encrypted channel.
- **Oversight:** Total visibility of your local market in an easy-to-read layout.
- **Concise:** View key metrics, summary stats and top ten lists.
- **Interactive:** Interact with visualizations for contextual insight and understanding.
- **Convenient:** Print and share physical or digital copies with your peers.
- **Detailed:** Drill into property details, images and history to build your case.
- **Familiar:** Orient yourself with our mapping capabilities.
- **Fresh:** Obtain periodic updates to keep the data in your dashboard fresh.
- **Trackable:** Bookmark and annotate properties for continued tracking and follow-up.
- **Personalized:** Customize your workspace that's designed to meet your needs and work style.
